LITTLE BIG GAME SPIRIT HITS CITY

Enthusiasm for the Campbell Bucs football team and the prospects for winning the 1954 SCVAL title was spreading all over town today as preparations for the little Big game began taking shape. From all indications the attendance will be over the 3000 that witnessed the game a year ago between Los Gatos and Campbell at Los Gatos in which the Bucs won by a 20 point margin.

The game on Thanksgiving day in 1953 was the fourth win against 13 losses and one tie in the 18 year series between these two teams and it was the second consecutive year for the Bucs to triumph.

In the game next Thursday, the Bucs will be outweighed, but the Campbell team has some fleet runners and have been gaining ground on aerial plays.

Plans Are Told For Big Business Development

Sears Roebuck To Build On Old O'Connor Site

Sears, Roebuck & Co. is to build a $2,500,000 retail store on the former site of O'Connor Hospital, two miles north of Campbell city limits at Race street and San Carlos avenue, according to an announcement yesterday. It is to cover a 140,000 sq.-foot space and be ready by spring of 1956, according to C. J. Kennedy, San Jose store manager.

Plans call for a single story building with mezzanine floor surrounded by 1400 parking spaces. Kennedy said this is to be one of the largest of the Sears stores on the Pacific Coast.

It is to be located less than a mile east of the Macy Store to cost several million dollars.

In the meantime, Hale's Department Store at First and San Carlos Street in downtown San Jose announced yesterday it will spend a million and a half dollars to expand its facilities so that it will become the largest single retail department store in California outside Los Angeles and San Francisco.

Kuehnis To Break Ground In March For Shopping Center

Ground is to be broken in March 1955 for the million dollar shopping center in Campbell at the southwest corner of Hamilton avenue and the Los Gatos Road it was stated today by Eugene C, Kuehnis, property owner.

Details of the plans are on the draughting board and should be ready by the end of the month. It is to be of neighborhood rather than regional type architecture as originally projected, and will resemble Cambrian Park Plaza and Los Altos Center.

Ed Bean of the law firm Bean and Bergna, representing Kuehnis and the Mayfair Packing Corporation as developers, told the city council in July when the permit was issued that within a half mile radius there is room for 2750 homes having 9700 people. There are now 1021 homes in the area with average incomes of from $4200 to $5000, conservative, so the center is set to do $1,075,000 business annually with present number of homes and $2,088,000 business as area develops. He said that half million to three quarter million dollar improvement would start the project which Kuehnis confirms.

While this project is starting in 1955, ground was broken this week for Dick Yee's super market, half mile north on the San Jose-Los Gatos road. Ground was also broken for the Wolverton Oil and Gas Station at Fewtrell and the Los Gatos-San Jose Road in Campbell this week.

Board Meets Tonight For School Projects

At a meeting this evening of trustees for the Campbell Union Grammar School district, plans for additions to the Dover, Cypress and Quito schools are to be presented for approval.

Plans for the new Monroe School are expected to be released by the Department of School Architecture at Sacramento and presented to the Department of Finance today for release of $350,000 of state money to supplement $49,000 of school district money. Approval by the department is expected this month so that bids may be called soon after the first of the year, according to William Henley, district superintendent.

The school district voted October 7 a $950,000 bond issue. There are 4559 enrolled in the nine schools, over 300 of this number today being on half day sessions because of overcrowded conditions.

Rotarians Hear About Argentina

Pablo Nicholson, University of Santa Clara student from Buenos Aires, discussed the various aspects of Argentinian culture and political situations at the regular Monday luncheon of the Campbell Rotary Club.

Giving a brief history of Argentina, Nicholson told the club Buenos Aires, considered the most beautiful city in the world, was founded in 1535. Under the leadership of San Martin and General Simon Bolivar, Argentina on July 9, 1816, declared her independence from Spain. Since the advent of Juan Peron as absolute dictator in the early nineteen forties, a state of internal war existed in Argentina. With his power of acquisition, he has taken control of the railroads, factories and businesses, eliminating men with technical ability and substituting men of his own choice, so that the economical structure of the country is in chaos. The police system, patterned after Nazi principals, tap phones, jail and torture high political figures and Priests for little or no reason. As a result, a great many people flee to Uruguay for refuge, and a state of war exists between Uruguay and Argentina.

A new feature of the club will be a brief biography of each member to be taken in alphabetical order, one each meeting. Frank Accardi inaugurated the series with the biography of "Doc" Arends who was president of the San Jose State College Student Body, president of the Alumni Association, president of the Campbell Rotary Club, and is on the Campbell High School Board of Trustees. Chairman of the day was Jack Payne.

NEW ARRIVAL

Mr. and Mrs. William Mueller Jr., of 635 Sweetbriar Drive, are welcoming an addition to their family, a boy named Robert William who arrived November 9, at Doctors General Hospital weighing an even seven pounds. Living next door are the proud and happy grandparents, Mr. and Mrs. William Mueller Sr.

Cotton, valued at $23,945,868, was the fourth most valuable export commodity shipped through the San Francisco Customs District in 1953.

Kiwanians Enjoy Venison Dinner

Members of the Campbel Kiwanis Club sat down to a venison dinner Tuesday, sang a few songs led by the Rev. Don Baldwin, former pastor of the First Methodist Church here and now of Santa Rosa, completed plans for an installation dinner at La Rinconada Country Club on December 12 and heard a talk on the menace of comic books by the Rev. Ernest Tremayne, pastor of the Cambrian Park Methodist Church.

The venison was provided by William Enochs from a locker supply. Carl Anderson owner of the TnT Variety Store and Dr. Howard Matson were introduced as new members of the club by Dr. W. R. Morgan, past district governor.

Rev. Tremayne directed his criticism of so-called comic books at those involving crime, horror and sex, contending that they influence minds of children, twist characters in the formative stage and pose new responsibilities in youth guidance. Some public reaction against these magazines being available to young people has been made but there is room for more. Canada has the situation somewhat under control. Some stories on TV are also influencing minds of young people, and a censoring will help correct this.

THREE INJURED IN CAR CRASH ON HAMILTON

In a three-car crash Tuesday night at Hamilton avenue and Highway 17, three persons sustained injuries. The cars were driven by Doris Sylvia Monte of Irvington, James Keyser of 910 N. 8th, San Jose and Meridith Howard Wilcox of 15737 San Jose-Los Gatos Road.

CAMPBELL NEXT SCHOOL TO GET BIKE LICENSES

The licensing of bicycles, which began last Saturday afternoon with students of Rosemary School being registered first, is working out very successfully, according to Police Chief Robert Locke, who states that Campbell Union Grammar School is next on the agenda.

Students must bring their bicycles to the Police Station Saturday for registration between the hours of 12:00 to 3:00, after which Police will attach the license plate securely to their bicycle.

YOUTH CENTER FUND IS STARTED

Members of a committee sponsoring the proposed Youth Center in Campbell are planning to send letters to all service clubs in the area asking each to appoint a representative to meet with them to discuss the organization of this new project. At the present time the Youth Center is being sponsored by the Auxiliary Police Department. Nick Di Muzio is the chairman in charge of arrangements.

An account for the Youth Center has been opened at the Campbell Branch of the American Trust Bank. The account is open for anyone wishing to contribute to the fund.

Congregationals Plan Sunday Thanksgiving

Thanksgiving day will be observed by the Congregational Church next Sunday. There will be baptisms and a reception of new members.

Members of the Junior Pilgrim Fellowship group are having a car wash Saturday, November 20, at the Church. All proceeds to go toward the building fund.

When San Francisco's Palace Hotel reopened after the 1906 fire, the key to the main door was sent aloft, hitched to five baloons, which drifted out to sea.

Area Is Growing

CHAMBER TOLD TO BE PREPARED

The man who builds memberships in Chambers of Commerce, spoke yesterday at a luncheon meeting of the Campbell organization saying that from the way things look around here now, membership should multiply several times in the next five years. He said that the Santa Clara Valley is growing faster than in any other area in the United States so it is natural for business and industry to come here.

Speaker was Percy Mayer, membership director for the San Francisco Chamber of Commerce. He told the group to be prepared with effective committees, and that Lou Holland, industrial chairman will be here early in the new year and tell how to go about getting industry for Campbell. Holland has been written up in national magazines. He has located many industries on the peninsula.

Mayer said the membership is the most important part of a Chamber of Commerce, and that a membership relationship department is the key to its success.

Program chairman was Glen Skilrud, membership chairman. Sam Cava, president, told of plans for Christmas decorations and a parade. He also told of the band concert and what it will mean to Campbell.

Miss Joan Arnaudo, Campbell queen at the county fair, was introduced by Cava who presented her with photos taken of her at the fair.

There were thirty at the luncheon which was served at the Odd Fellows Hall.

Missing Boys Found Unharmed

Two eleven year old Campbell and Saratoga boys, missing for more than 27 hours in the heavily wooded, rain soaked Coast Range Mountains near Pescadero were found late Monday afternoon by a searching party consisting of two Campbell residents and Policeman Ralph C. Foster and his son Richard, 19, and two San Mateoans, Ernest H. Werder, and Curtis McCumber.

The boys, Paul Decker, son of Mr. and Mrs. Ernest A. Decker of 700 Elden Drive, Campbell, and Stan Lee Rasmussen, son of Mr. and Mrs. Willis Rasmussen, of 20387 Thelma Avenue, Saratoga, rejoined their parents after being held overnight at the San Mateo Community Hospital for observation and exposure treatment.

Young Paul Decker said they had climbed one hill too many after leaving Skylark Girl Scout Camp where his father was doing volunteer work, and had become confused as it grew dark. They had slept under a tree during the night even though they had passed an empty gun club shelter because as Scouts they did not intend to violate a "No Trespassing" sign they passed in their wandering. The heavily wooded territory held acoustics to a minimum and was held responsible for the failure of the boys to hear the shouts of searchers until they were very close.

Mr. and Mrs. Ernest Decker, parents of the lost Campbell boy, wish to express their sincerest thanks and appreciation to all persons who took part in the search for their son.

The Chapter will meet soon to outline activities for the coming year and to prepare for the annual Red Cross campaign in March.

San Tomas PTA Hears TV Story

Educational television, designed to meet the special interest of individuals, is intended to supplement rather than compete with commercial programs, according to James Day, general manager of KQED, who spoke before the San Tomas P. T. A. Tuesday evening.

Day stated that the possibilities of Educational TV is unlimited and in due time its progress should include education for bed-ridden children, citizenship courses, refresher courses for professional people, and exchange programs with foreign countries.

Mrs. Chris Miller, president, conducted the meeting which opened with the pledge to the flag led by a group of Girl Scouts, and an inspirational prayer given by Mrs. John Ward. Under the direction of Mrs. J. W. Brown, magazine chairman, a skit was presented to promote sales of P. T. A. magazines. Mrs. Margaret Marcrost's fifth grade demonstrated their study of the forest and sang "Smokey The Bear".

SUPERVISORS CAN DIRECT WITHDRAWALS DISTRICT 4

Districts annexed to San Jose can withdraw from the Sanitation District No. 4 and the district lacks power to deny such steps it was pointed out Tuesday by Robert J. Costello, assistant city attorney. The County board of supervisors has the power to recommend withdrawal, he said.

The district, with offices in Campbell, protested to the city of San Jose over use of its sanitary sewer facilities for storm waters. In his report to the district's board of directors, Stephen H. Goodman, district manager, suggested to the board that it explore the possibility of refusing to disannex new areas taken in by the city, thus exposing property owners to both city and district taxes.

If, after such a recommendation is made, the supervisors refuse disannexation to any area, then residents of that area have an alternative procedure to effect withdrawal, Costello said.

They can circulate a petition calling for an election and if the majority vote in favor of withdrawal, the area has to be withdrawn. The petition requires the signatures of 25 per cent of registered voters in the area.

In the existing contract between the city and district, Costello pointed out, th edistrict agrees to co-operate in effecting withdrawals of areas annexed to the city.

BRING ON THE BAND

Campbell is soon to have a musical treat as a concert is presented at the high school with some of the stars of light opera appearing in person. It takes considerable faith that this sort of program will receive public approval, but there are strong indications that it will.

Campbell has in the last year had some outstanding musical talent of its own and the public quickly learned to appreciate it. There is going to be full value offered in this concert for those who enjoy music. It is going to be something well worth your attendance.

CORNERING THE BUSINESS SITES

In the not too distant future there is bound to be a demand for business sites in Campbell along the main thoroughfares, and when that day comes, there should be a few good corners available.

It seems now that a lot of the good corners are being taken up by service stations. To some extent, of course, this is quite all right, but there comes a saturation point. They can be like sitting ducks on choice locations and cause prospectve investors to move along to other places if the kind of a site for a new business is not available.

Most of the major oil companies operate with a metropolitan zone attitude, working from charts. Sometimes we feel exuberant over the future in Campbell, knowing full well that these corporations have made the proper kind of a survey for the investment of their money, and from the way they are coming in, the prospects must be good. But we wish they would leave a good corner here and there for some other kind of a mercantile firm.

COME ON, BUCS, LET'S GO!

One week from today, the little Big Game of the Santa Clara Valley is to be played in Campbell between the Bucs and the Wildcats. It is a traditional game between two rival cities.

More than just a game on the football field, it is an experience to feel the warm enthuusiasm for the team as the rally committee takes charge. They say there are no single stars this year, but a well-coordinated team that is inspired by its backing from its fellow students. We know they will do their best.

But not only is the team backed by its school, the whole town is backing them. Let's go, Bucs

ARE COMIC BOOKS REALLY BAD?

There are all kinds of comic books on the market today, most of them good. Those which amuse and which pleasantly feed the imagination are not to be censured. They serve constructively.

But the kind that treats lightly of crime, passion and disrespect of the law, should have no place on store shelves. There is a movement under way to have a censure group rid the market of this literary trash. That seems like the right procedure.

On the other hand, we have to overcome the greed for that kind of reading matter and substitute something better. The mind of youth is susceptible to ideas in whatever form they are presented, and thereby is character moulded. The most brilliant mind is of little value if not used constructively. Youth must know truths and have experiences of honor.

Good humor is wholesome and invigorating, but you can't wear it as a cloak over a heart soaked with crime, passion and disrespect of the law. They are comic books in name only.

It was former President Herbert Hoover who said recently that "A nation ... thrives or perishes upon what it believes to be true. If our youth is rightly instructed in the faith of our fathers, in the traditions of our country, in the dignity of each individual man, then our power will be stronger than any weapon of destruction that man can devise."

THANKSGIVING, 1954

Thanksgiving Day originated in expression of gratitude to God by the Pilgrims for their survival of a year of hardship and peril.

Thanksgiving Day of 1954 is unique in that many millions of Americans have a sentiment more akin to that of Pilgrims than in most years, good or bad, in peace or at war, since America meant just a tiny settlement in a hostile wilderness. Thanksgiving Day, 1954, comes in the first year that the words "under God" are a part of the official pledge of allegiance.

Perhaps, as a people, we are becoming mature. In the atomic age so swiftly come upon us, mankind's newborn power to destroy his world has destroyed forever the illusion that proud men, or proud Nations, can stand secure in their wn strength.

Like the Pilgrims, for the peace and plenty that we have, and for dangers past, let us give thanks.

WHERE TO GET A JOB

One ever-present problem to young people when they finish schools and colleges and start out into the larger world is where to get a job.

Today there is a tremendous opportunity in the field of marketing, according to authorities. Young people in growing numbers are turning to retailing as a career. It has been observed that marketers need "the best youth in the country to become salesmen."

Retailing, like all other branches of marketing, is as competitive an enterprise as anyone can imagine. The day when all that was necessary was to put goods on display and then wait for the eager customers to come flocking in has long since passed.

Much To Be Thankful For

CAMPBELL ANNEXATIONS Move Westward, just about 125 acres now being processed and getting ready for about 650 new homes which when sold and occupied will mean 2100 or more population increase in the law of averages, but noteworthy too is the increase in assessed valuation of properties which is bound to lower our tax base ... one of the tracts being processed is for the Taft Realty Company and will include an 18-acre plot bounded by Virginia avenue, Rincon and Bucknell roads, now set out in prunes and walnuts ... it will be called Westchester Park, while the 84 acre tract between Campbell avenue and Latimer avenue, west of San Tomas Aquina Creek will be known at Latimer Park ... the former tract will include Perley Payne's bird farm on Rincon avenue where pheasants by the hundreds are grown for gourmets patronizing the swanky bay area eating places.

CAMPBELL KIWANIANS Have travelled more than 50,000 Kiwanis miles already in 1954, which, if we know our geography, is better than twice the distance around the world which is certainly getting around ... Henry Jewell the head man for the local club and sparkplug for getting things done has it all figured out this way ... 68 went from Campbell to the District convention at Reno last month, 548 official miles round trip or 39,264 Kiwanis miles total, while last Spring 27 members chartered a bus and made the round trip to Kingsburg down Fresno way for an inter-club meeting, a total of 340 official miles or 9180 Kiwanis miles, then the club made trips to Los Altos and Sunnyvale for official visits bringing the total miles to over the 50,000 mark ... the Campbell Kiwanis Club was founded in 1926 and still has five of its charter members on its active rolls, has one member with 29 years of perfect attendance and another with 25 years perfect attendance.

JUST AFTER THE TURN of the century, Campbell had a band that gave summer concerts every Saturday on a stand at just about where Dobie Jeffers now has his store and they were resplendent in red coats and caps as folks would come for miles around to do their week end shopping and listen, the leader having been an uncle of Miss Daisy Pannel who lives now at Grant and Central. . . over by the depot the Southern Pacific set out trees and shrubs about 1902 and Campbell Imporvement Club made additions with shrubs and lawn for visitors to rest in and small children could romp around in behind a cypress hedge. John Neff had planted some cactus there and for a while Orrie Grizzle, who is the oldest business man in point of service years in Campbell today, looked after the park ... in later years the American Trust bank took over the property for offstreet parking, but some of the trees are still there ... the Campbell Weekly Visitor, forerunner of the Campbell Press, was founded in 1895 and was printed on North Central Avenue where the Jim Prout home is now, later being moved to the corner of Campbell Avenue where the Shell Service Station is now, then to the Odd Fellows building and finally to its present location on Dillon Avenue.

1955 CHRYSLERS IN BIG DEMAND

More than 35,000 orders have been placed for 1955 Chryslers and Imperials following dealer showings in 28 cities, reports E. C. Quinn, president, Chrysler Division, Chrysler Corporation.

"With 1955 Chrysler and Imperial shows completed and orders just beginning to come in at the factory, car orders have reached the 35,000 mark with announcement day several weeks away," Mr. Quinn said. "This is three times the number of orders we had on hand a year ago."

Mr. Quinn said that dealers are predicting that the 1955 announcement will be the greatest Chrysler has ever had. He reported that the factory has received more than two thousand wires from dealers reflecting their enthusiastic approval of the new Chryslers and new Imperials and that letters and wires continue to be received in volume at Chrysler Division daily.

"Many of the wires we are receiving urge us to expedite delivery of cars to dealers in advance of announcement day, November 17 because, the dealers say, they have already received deposits on bona fide orders for thousands of new Chryslers. The majority of dealers report that they have more cars pre-sold this year than ever before in their experience."

This year the dealers saw the cars at day-long showings held throughout the U. S. The factory sales executives holding the meetings report more enthusiasm for the new cars than has ever been recorded before, Mr. Quinn said.

"This year dealers were invited to bring not only their sales managers and salesmen but their wives to the meetings. The reaction from the wives proves to us that women will like the high styling and wide selection of beautiful interior and exterior colors and fabrics incorporated in the 1955 Chryslers and Imperials," Mr. Quinn said.

Mr. Quinn said that the wave of public speculation and interest in the new Chryslers exceeds any ever stirred before by a new product.

"Eight out of ten people tell us that of all cars to be introduced they are most interested in the new Chryslers," Mr. Quinn said. "We are doing everything we can to see to it that our dealers capitalize on this favorable situation in order to secure for Chrysler the increasingly greater share of the market we deserve by right of a line of cars which are leaders in style and and power."

Speech, Debate Members Winners At Modesto Meet

A bus left Campbell High School Saturday morning with seventeen local Speech and Debate Club members, two interested parents, and three faculty members to attend the California State speech and voice contests at Modesto High School. Escorted by Speech Club Advisor, James Peabody; Faculty Judge, Mrs. Doris Seaton, and interested parents James Avila and R. M. O'Flyng, they spent the day in speech and debate contests.

In the "Experienced" Division, Everett Avila and Dennis O'Flyng; who placed in the semi-finals at the Fremont meet; spoke on the general topic, "Free Trade". They did well in stiff competition being resolved that "Reciprocal Trade Agreements Are Detrimental to the Best Interests of the United States." In the novice class from Campbell, Steve Dunn, Chuck Kaffer, and Warren Wood were in the finals until defeated in the last debate by Bellarmine of San Jose.

The local high school entered three students in dramatic interpretation. Gary Strauss portrayed "Shylock" in an excerpt from Shakespeare's "Merchant of Venice". Beatrice Bills, for a dramatic quarter hour, was Emily who came back from the dead in Thornton Wilder's "Our Town", and Bambi Pringle played the sarcastic secretary in "The Man Who Came To Dinner" rating "first in three" in Moss Hart's comedy. Two Campbell students interpreted speeches. John Stanton, a senior, described Will Rogers. Sophomore Art Lantz described Harry Emerson Fosdick's "Changes in Education", and a freshman girl, Pat Belardes, read the humorous monologue, "Fire Sale".

Bus Driver Garth Norton brought the group back to Campbell at 9 PM, Saturday night. Speech and Debate Club members practice four out of five nights a week after school and use their own free time in all debates and meets. In the Oct. 29-30 meet at Stanford University, Campbell debaters Chuck Kaffer, Steve Dunn, Everett Avila, and Dennis O'Flyng los only to St. Ignatiuus and Lowell High School of San Francisco, currently one-two in Northern California. Also entered at Palo Alto were competitive groups from CUHS, presided over by Stanford Law students. In this division, Campbell placed third and fourth in groups of seven.

The conference was for managers of retail companies and was sponsored by the California Division of Cleaners.

Mrs. DON GILBERT, of 392 N. Milton, is convalescing after a trip to the hospital and is now able to see friends.

Mr. and Mrs. TONY OREGLIA, owners of the AA Market, returned Wednesday evening from a short trip through Oregon in their shiney new Iris-blue Cadillac Coupe-de-ville. They visited Mt. Shasta and friends in Medford, their former home for five years before coming to Campbell. On the home stretch they stopped in San Francisco for dinner.

Newcomers to Campbell are Mr. and Mrs. W. A. HORSLEY of San Mateo, who are now making their new home at 827 El Solyo Avenue. Horsley is the factory territory representative for Pennsylvania Tire Company of Nashville, Ohio.

Attendance average at the Campbell Assembly of God Church at 138 North Winchester Road shows considerable increase over the 1954 October average according to Herbert Johnson, pastor. The average for October, 1954 was 143 as compared with 132 in the same month of 1953. The church is endeavoring to raise cost for the purchase of a nearby lot for parking purposes so as to qualify for a variance to increase the church building size. The Women's Missionary Council of the church meets tomorrow evening at the home of Mrs. Don LeWarne at 3201 Oriole Drive.

Victor Herbert Operetta Coming To San Jose Soon

San Jose Light Opera Company will present its first major production in almost two years, Victor Herbert's ever-popular operetta, "The Fortune Teller", at University of Santa Clara theatre, Friday and Saturday evenings, Nov. 26 and 27.

New musical director with the company is Ross Bergantz, high school music teacher and member of San Jose Civic Symphony.

Dances for the operetta will be staged by Wanda Williams and Leon Haleinos of San Jose Academy of Ballet.

Rosemary Home Group Hears Of Life In Iran

An interesting talk on Iran was given at the last meeting of the Rosemary Home and School Club by Steve Hunter, a student of Campbell High School. Steve who lived in Iran one year while his father worked on a Fulbright Scholarship, illustrated his talk with colored slides.

During the business meeting conducted by Burnard Clark, tentative plans were made for the annual school dinner, a Father and Son banquet, and a Spring fashion show. Mrs. Mary Parker, a member of the Footlighters, talked on the purpose and goal of her organization and gave a synopsis of the new play "Ramshackle Inn" soon to be presented at the High School.

Olsons Back From Scandinavia Visit

"It feels good to be back home in Campbell" say Mr. and Mrs. Carl Olsen of Latimer Avenue after a delightful four-month's vacation in Norway and Sweden, as well as visits with friends and relatives in New York, Massachusetts, Rhode Island, New Hampshire and Wisconsin.

The food and accommodations on the Norwegian liner "Oslofjord" were excellent and they had fine weather crossing and returning on the Atlantic.

The scenery in Norway and Sweden is beautiful and the people seem to be enjoying a high standard of living. There is a large tourist traffic in Scandinavia from the United States as well as from European countries, especially from Holland, Belgium and France.

The Olsens suggest that anyone contemplating a visit to Norway and Sweden should be sure to have hotel reservations before arrival at any of the foreign cities, especiallly Oslo and Stockholm. They also advise them not to carry any unnecessary baggage because anything they may need may be purchased there at reasonable prices.

HE CHOSE TO RUN THIS TIME. Diminutive Buc quarterterback Eppie Gallego apparently had no pass-receiver open, so he ran on this play. His passes to end Tony Schraub in the Santa Clara game last Friday put Campbell back into the running for its third straight SCVAL title.

Campbell Blocked Two Punts In '50 But Lost 27-20

Campbell blocked two punts and turned them into second half touchdowns in 1950 to almost overcome a 27 to7 first half disadvantage. The final score was 27-20.

Joe Darnell, Glen James and Bert Pfister did some strong ball carrying for the Cats and Benny Pierce, now a San Jose State College quarterback, was the pilot for the winners.

Campbell's line pressure became so intense in the second half that the Wildcats gave up kicking and tried for yardage on fourth downs. Pierce slipped around end on fourth down on an optional pass play in the final two minutes to keep a ball-freezing march alive.

Also in the Gatos lineup were Don Lee, Ron Rovai, Jim Wagner, Jim Hague, Ed Roseborough, Dick Daily and Don Johnson.

49er Billy Wilson Led Bucs To Win,

Billy Wilson, now an end with the San Francisco 49er professional football team, caught touchdown passes in 1944 to give Campbell the double thrill of beating Los Gatos for the first time, 25 to 13, and to help the Bucconeers win their first Santa Clara Valley Athletic League championship.

Los Gatos scores came on an end sweep by Dick Mariotti and a pass, Bill Moore to John Sanchez. Also in the Los Gatos lineup were Bob Palla, Carl Nicholson, Charles Smith, Floyd Hurney, Dick Adams, Wesley Briggs and Jack Spellman.

Future Greats Slid, Sloshed To 0-0 Tie In 1943

Los Gatos and Campbell slipped and sloshed to an 0-0 tie on the local turf in 1943 and the Wildcats salvaged an SCVAL co-championship with Mt. View. Three future athletic greats were on the field that day.

The Cats could complete only one pass while Billy Wilson, then in his junior year, caught three of four thrown to him by Del Grande. On one of these completions, Bob Chambers, later an Olympic Games runner, overhauled Wilson from the rear.

Wilson went on to stardom at San Jose State and with the San Francisco Forty-Niner professional football team while Chambers tied the world's intre-scholastic 880-yard record and represented the United States in the 800 meter run at London in 1948.

The lone Gatos pass completion was Pete Denevi to his side-kick Frank Velo. Denevi moved on to San Jose State to letter three years and laCter to play professional baseball.

Campbell Fielded First Team In '34

The powerful Campbell teams of 1952, 1953 and 1954 have come a long way since the school started football in 1934 when the Buccaneers fielded its first squad and played an informal schedule.

In that year the league was composed of Los Gatos, Fremont, Mt. View and Santa Clara. Campbell joined a couple of years later, Washington came into the SCVAL in 1936 and James Lick, the newest member, started in 1951.

Campbell's first team played Los Gatos' junior varsity which won a close game, 6 to 0,

Jess Holt Caught 3 TD Passes In '48

Campbell sprung its greatest upset of the series in 1949 when End Jess Holt caught three touchdown passes, two in the fourth quarter for a 21-to-19 victory.

Ernie Jordan, an all-valley back for two years, closed out his prep career with a 76-yard runback of a pass interception for a touchdown. Al Lloyd and Danny Short accounted for the other Gatos scores and Don Sutton rounded out the local backfield.

Cats Edged Bucs 6 To 0 In 1937

Campbell, in its third year of football, extended the Wildcats in 1937 before losing, 6 to 0.

Playing for Los Gatos were Ebbie Fees, George Edwards, Bill Lewis, John Aimonetti, Sam Riola, Bert Sporleder, James Powell, Don Streepey, Vince Hogan and John Dimeff.

Campbell Has Never-Say-Die Spirit

Bucs On Way To Th Straight SCVAL Ti

by Bob Olson

The Campbell Varsity Football Squad overcame its greatest hurdle to a third straigh when it came from behind to win a thriller from Santa Clara last Friday night, 14-12, A v ington tomorrow afternoon, in a 3 p.m. contest on the local field, and then overcome Los giving morning, they could win the champoinship, copping the flag for the third straigh what appeared to be insurmountable odds just two weeks ago. Why- (1) Because all seaso eleven has proven that it refuses to give up, even when behind; (2) Because the Bucs play as a team with no individual stars trying to be glory hounds; (3) Because of great coaching and quarterbacking which seems able to come up with just the right play at the right time; and (4) Because Campbell's opponents are doing such a great job of knocking one another out of contention. For example, when Santa Clara plays Fremont at Sunnyvale tomorrow night, one of them is sure to be eliminated from championship contention; if the game ends in a tie, they are both out.

This Friday's BIG GAMES
Washington at CAMPBELL 3 P. M
Lick at Los Gatos 3 P. M.
Santa Clara at Fremont 8 P.M.

Hundrers of Buc rooters made the jaunt over to Santa Clara last Friday to outnumber Santa Clara. No seats were available after 7 P. M. on the Campbell side of the field but there was plenty of room on the Panther side. Muir's men came out to start the second half as though they were ahead 12-7 instead of a touchdown behind on the big scoreboard. Campbell took the second half kickoff fifty-two yards in eight plays for the winning tally. A twenty yard pass from Gallego to Schraub was the key play in a drive which sent QB Gallego over from the one on a quarterback sneak. As the gun sounded, the Bucs were on their way to a third score.

But the first half was almost all Santa Clara. Campbell looked listless all through the first quarter, and the Panthers scored twice before the Bucs ever put their offense together. Santa Clara scored first on a long pass play, and then six plays later broke Larry Garcia loose for a 26 yard run for a touchdown before the Buc line realized what had happened. In the last three minutes of the second quarter Eppe Gallego threw a perfect thirty-one yard strike to hit Tony Schraub in the end zone, after which Rex Kendall kicked the first of two vital points after touchdown.

Washington has a veteran line, capable of stopping anybody on any afternoon, but boasts only two experienced backs. Consequently the Huskies have been good defensively but poor offensively; in four games they were outscored rather than outplayed. Clyde Voorhies is a foxy coach, even though this is but his second SCVAL season. In Tino Rangel, he has developed a quarterback dangerous on any play. When he chooses to pass, ends Craig Bellati and Ken Galloway make sensational catches for him, and wi always seems to ha ahead of him. Ha neda is also a bre Rangel ofter hand for short gainers.

Ready for I

The Bucs are, looking ahead to t ing date with the disappointing sta shows real promi now in their best tion of the season. Fremont out of c last minute of play they drubbed Mou in last week's gam sational sophomor and Jim Sparks ta downs apiece. You Eagle kickoff 71 y score in the first and then later in off tackle for ano the six yard line. Canrinus has de scatback. Again Sparks broke out for long gainers.

LAW IN ACTION

CHECKS AND BANK ACCOUNTS

Should you make a check payable to "cash," to "bearer," or to a named person? Make it payable to a named person. Otherwise if lost or stolen it can be cashed by anyone.

How about a check made to one or more payees? Can any one of them cash the check? That depends. Make it payable to John Doe, Richard Roe, and Mary Coe, and ordinarily all three must indorse it for the bank to cash it. But make it payable to John Doe or Mary Coe, and either one may cash it by a single indorsement.

Each depositor and his bank have a contract as to withdrawals by check and other matters. The card you sign when you open your account is a vital part of that contract. Who has a right to sign checks or make withdrawals? Is your account a one-name account or a joint tenancy account? It may be advisable to review the files on these matters. Things may have changed since you first opened the account or gave deputy powers.

When the deposit is a "demand" deposit (or a commercial account) you can withdraw your money on checks to write and deliver to others. In a "time deposit," the bank pays a certain interest rate in consideration of your keeping the money on deposit until an agreed date. You set up a "savings account" at interest for no set time. You can make withdrawals in accord with prescribed rules.

When a bank account is in two names, "with right of survivorship," what happens if one of the depositors dies? Upon obtaining the necessary inheritance tax release, the balance is payable to the survivor under the contract. As a rule it is so disposed of, entirely apart from the decedent's will. But in some cases, where the parties have agreed otherwise, the courts have ruled that despite the signature card and form of account, the balance does not belong outright to the surviving depositor.

Community Center Site Is Offered The Quito Area

Ernie Renzel and Werner Stern met with about twenty-one residents of Quito and Moreland Area last Friday to discuss a possible youth and community center in the area.

Mr. Stern and Mr. Renzel, owners of Quito Shopping Center, announced at this meeting that there is land near the shops which they are willing to give outright to the community, to be used by the community.

A committee was formed from among those attending the meeting, which will study the vacant land near the shopping center and try to determine which section would be most desirable for such a proposed youth and community center. Heading this committee is Ollie Upton, and working with him are Bill Cole, Wayne Turner, James Bruce, Herb Raymond, with Mrs. G. R. McLeod handling publicity.

Others present were: Fred N. Stahl, Francis Markert, Al Elizondo, Garvin R. McLeod, Ray S. Coe, Sam E. Manfre, Francis Swartz, Dewey Kosich, Wesley Kosich, Bruce A. Holmes, Edward K. Mraz, Dorothy Hurd, Jim Barnett, an dMrs. Lloyd Shultz. The meeting was held at Quito Presbyterian Church, with Rev. Donald W. Jolly also present.

RECREATION SURVEY DUE AT EL QUITO PARK

Children of El Quito Park School were given a survey on recreational needs for the area, compiled by Betty Manfre, PTA recreation chairman.

Mrs. Manfre's survey reads, in part: "Community recreation is not intended to intrude upon family life, but to offer a planned program to supplement home activities. . . There are funds available in the Campbell Recreation Council budget to provide a playground director at El Quito Park School for four hours a week". The question asked was: "Do you feel there is a need for a supervised activity program . . . at the school?"

Other questions were: "Do you feel that teen-age children should have a share in planning their programs for social activities?" "Would you help support a community youth center in this area?"

Mr. Upton stated that after the proposal has been examined from many angles by his committee, a meeting will be called to which all residents of the area will be invited, at which time further expressions of ways and means for building an adequate community and youth center will be solicited from all interested persons.

Bank To Use New System To Enter Daily Deposits

Starting today depositors with checking accounts at the Campbell Office of the American Trust Company can file their pass books in the attic trunk along with other relics of the past. The bank is installing teller-operated machines which provide a mechanically registered receipt for each deposit.

Mr. Joaquin J. Payne, Manager of Campbell Office of the bank points out that the new machines will furnish accurate, speedy and more convenient window service for all checking account customers. The depositor simply fills out his deposit ticket in the usual manner and in one quick, simple operation the teller-operated machine prints a deposit receipt showing the amount of deposit, tellers number and the transaction number. At the same time the identical information is recorded on the bank's permanent record.

"The customer is completely protected by this system", according to Mr. Payne. "The machine printer receipt shows definitely that the bank has actually received the deposit and in case of loss, only the depositor himself can obtain information about the deposit amount, since the receipt is identified by number only, moreover this receipt is non-negotiable and practically impossible to alter".

Deposit receipt machines are now being used by more than 7000 banks throughout the nation.

BUC 30's BEATEN BY SANTA CLARA

By Bill Absher

Santa Clara 30's downed the Campbell Bucs 18-0 last Friday on the Panthers' field.

Santa Clara scored once in the first quarter on a hand off to their right half who scampered for the score. A fake kick for the conversion, and a pass failed for the little Panthers. The score remained 6-0 at half time.

Early in the 4th quarter Santa Clara score again on a 12 yard pass. The extra point was no good. Late in the 4th period a 45 yard run scored another touchdown for the Panthers. The try for extra point failed. The gun sounded with the score 18-0.

New Aerial Photo Of Campbell At 'Press' Office

An enlargement, 20 by 25 inches in size of an aerial picture of Campbell taken recently has just been framed for hanging in the office of the Campbell Press. The photo taken by R. E. Copeland of Berkeley is very clear. The aerial photo was taken for the Campbell Planning Commission to show network of streets and improvements, the enlargement being about three times the 8x10 size made for the commission.

LaSCOLA SEEKS MARKET PERMIT

Joseph LaScola's petition read yesterday before the Santa Clara County Planning Commission to change district boundaries from R-1 and R-1-A; B-D to a district which will permit building a food market on the San Jose- Los Gatos Road between Dry Creek and Apricot Avenue, was taken under advisement.

J. D. Bowen Resigns As Pastor First Southern Baptists

After one year of service, the Rev. J. D. Bowen leaves the First Southern Baptist Church in Campbell. The Reverend began his work here on October 24, 1953. The Pastorium at 71 N. First St. has already been vacated.

Rev. Bowen with his wife and two daughters, Eleanor and Elwayne, came to California from Brooksville, Florida, in August of 1953. After arriving, he worked at first as a general missionary in San Diego. He came west as an approved Mission Pastor by the Home Mission Board of the Southern Baptist Convention, Atlanta, Ga.

The Bowens leave Campbell to move east only a few miles. They are now at 14166 Foxworthy Avenue in south San Jose. They occupy a large ranch home with spacious rooms. A Mission Sunday School and Church has already been opened there.

Rev. Bowen states that thirty-six people attended services on the opening Sunday, November 14.

"There is no other established place of worship in our community", the minister says. "We estimate that there are twenty-five hundred families nearer us than any other church."

The work here among the many new families of Hacienda Gardens, West Park, El Rancho Del Rey, and other developments is under the sponsorship of the First Southern Baptist Church of Cambrian Park and the San Jose Southern Baptist Association.

The San Francisco Fire Department Auxiliary Reserve is composed of about 300 specially trained men who are Civil Defense volunteers.

'Modern Dance' Is Topic Of Country Woman's Meet

"Modern Dance" was the topic discussed by Mrs. Virginia Jennings when the Country Womens Club met Monday in the clubrooms of the Campbell Library. Mrs. Jennings commentary on the modern dance, art forms, philosophy and technique was new to many and brought a greater understanding its part in education.

Mrs. G. E. Jeffers was chairman of the day and was assisted by Mesdames O. C. Jensen, J. B. Arends Sr., E. R. Kennedy, J. W. Forward, E. F. Whistler and A. C. Currie.

The annual Christmas Tea is scheduled for the December 6 meeting. Frank Triena of Campbell High School music department will present his A Capella choir in a traditional concert of Christmas carols and songs familiar to everyone. Mrs. Dale Hansen is the chairmand and will be assisted by Mesdames Harry E. McAfee, G. E. Farley, Ray Babcock, M. A. Carson, Ralph Richmond, Rex Saunders and R. E. Schaefle as hostesses for the tea.

CHRISTIAN SCIENCE

How the spiritually correct view of God and man destroys anxiety and restores peace of mind will be brought out at Christian Science services this Sunday in the Lesson-Sermon entitled "Soul and Body."

Scriptural selections include the following from Psalms (42:11): "Why art thou cast down, O my soul? and why art thou disquieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God."

Among the passages to be read from Science and Health with Key to the Scriptures", by Mary Baker Eddy is the following (390: 4-9): "We cannot deny that Life is self-sustained, and we should never deny the everlasting harmony of Soul, simply because, to the mortal senses, there is seeming discord. It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony."

Lions Auxiliary Being Formed

A new organization is in the process of being formed by wives of members of the Campbell Lions Club, according to Mrs. Betty Grizzle, temporary chairman. The club will hold its second meeting at 8:00 p. m., December 8 at the home of Mr. and Mrs. John Chargin at 105 Memory Lane. Scheduled is an election of officers and formation of committees.

The purpose of the club is to help the Lions withtheir current project. A cake sale is being planned for the near future to help promote funds for the Lions' Christmas Baskets.

Christmas Cheer For Hospitalized War Veterans

The annual solicitation for funds, of the Peninsula Christmas Committee for Hospitalized Veterans is now progressing, A. H. Sagehorn, San Mateo County treasurer and president of the association announced today. It is hoped this year's response will be such, he said, that these less fortunate veterans may be provided the merriest Christmas yet.

About 1000 letters asking for donations have been mailed to veteran groups and auxiliaries, labor unions, civic and service organizations, women's clubs, lodges and church societies as well as interested firms and individuals, the president said. Such groups situated in Santa Clara County and even further south have responded increasingly each year, which has been most gratifying Sagehorn said as they also serve the veterans hospital in Palo Alto.

The contributions are the sole support of this Committee, according to Sagehorn, and what they give will decide how much can be done for the hospitalized veterans at Christmas. In the past they have made it possible to provide quality utilitarian gifts to every hospitalized veteran on the Peninsula and have also provided trees and decorations for the veterans' hospital.

Purchases must be made early, Sagehorn emphasized. Checks may be sent to him at the San Mateo County Cuort House or to Postoffice box 383, Redwood City.

BAG OF BULBS CAMPAIGN MAKES HEADWAY HERE

The Lions "Bag of Bulbs" fund drive, which was called to a halt because of inclement weather, is to start anew as weather permits. Club members are happy with the success so far in the one-third coverage of the territory originally mapped. They are confident of being abel to raise enough funds to accomplish work for the Sight Conservation and Blind Fund and for the Christmas Basket project. Faculty members of the Cambrian School have made a total of 36 posters advertising the drive which have been placed around the City.

At the Lions meeting Tuesday evening, Al Ellis entertained members by showing colored motion pictures of Argentina. At the next meeting on November 23, District Governor J. E. "Jud" Holland of Burlingame will pay his official visit to the Club and an interesting program is planned.

Hal Shumway and Verle Grizzle visited the Beverly-Burbank Lions Wednesday evening, and heard Frank Di Fiori, president, extend an invitation for a joint meeting of the two clubs to be held after the first of the year.

CAROLYN ANN TUNSTALL IS BRIDE OF RAYMOND MESA

In a Nuptial Mass at St. Lucy's Church October 30, Carolyn Ann Tunstall and Raymond Mesa, Jr., recited the vows before Father Ahern that united them in marriage.

Wearing a ballerina-length gown of Chantilly lace over satin and carrying a white, flower covered prayer book, Carolyn was escorted to the altar by her father. Maid of honor was Cecile Mesa, who wore an aqua gown and carried a French bouquet of aqua carnations. Bridesmaids wearing identically styled gowns of ruby and blue were Darlene Bohn and Beverly Turturici who carried French bouquets of carnations. Dave Arena performed the duties of best man.

Carolyn is the daughter of Mr. and Mrs. O. L. Tunstall of 601 S. Winchester Road, owner of Bud's Service Station. She is a graduate of Campbell High School and is employed as a Nurses Aid at San Jose Hospital.

Raymond is the son of Mr. and Mrs. Raymond Mesa of University Avenue in Los Gatos. He is a graduate of Los Gatos High School and at the present time is employed in Campbell.

The young couple will make their future home on LaChiquita Road in Los Gatos.

It's getting to be that time of the year when people phone or write for Rose Bowl tickets. Yep, they start early. Got a letter the other day from a man 'way down there in Memphis who wanted me to fix it up so's he can go to the game. Every sports editor and writer on the Pacific Coast knows when it's Rose Bowl time. They hear from old pals who haven't bothered to write in years. Complete strangers suddenly become bosom friends.

As an old Rose Bowl watcher I frequently am asked which Pasadena game was the most thrilling. And I've been giving 'em the same answer for lo these many years.

My first peek at a Tournament of Roses game occurred in 1921 when I saw California clobber Ohio State, 28-0. In view of what the Big Ten has done to most of our representatives since that day, I never have any trouble recalling that occasion. Cal was superb, one of the really great teams of Pacific Coast history.

The greatest Rose Bowl thriller of them all was Alabama's 20-19 victory over the University of Washington in 1926.

And I say this despite a national poll of some years ago when leading experts tabbed Southern California's 7-3 win over Duke the top bowl thriller of history — Rose, Sugar, Cotton or any other.

"Rubbish picked up along highways costs as much as $225 per mile, money that comes from citizen's pockets and money that could go into road repair," says Lucky Lager Brewing Company president Eugene S. Selvage. "If you use the highways of America, help in the campaign to KEEP AMERICA BEAUTIFUL."

That Trojan-Duke thing was dull as dishwater until my boy Doyle Nave climbed off the bench and pitched four consecutive forward passes to Al Krueger in the last two minutes of play.

For sheer drama and sustained thrills there has been nothing in Rose Bowl history to match that 'Bama-Husky brawl of '26. The game marked the debut of Dixie teams at Pasadena, Washington had played in the 1924 Rose Bowl game, tieing Navy, 14-14, in one of the two stalemates in Pasadena history.

In those days, of course, teams traveled by train. Plane rides for athletic squads were unheard of. Alabama headed West from Tuscaloosa on a special choo-choo which was scheduled to stop in Arizona for a side-trip to the Grand Canyon.

The Times sent me to meet the Crimson Tide party in Arizona. Somebody introduced me to Wallace Wade, the sphinx-like coach of the Crimson Tide. After the usual exchange of greetings, he said:

"Is it true, Mr. Dyah," asked Wade in his rich Southern drawl, "that this man George Wilson would rather run into a man than run around him?"

Wade was referring to the great Washington halfback.

"Yes, that's true, coach," I replied.

"My, oh, my," moaned Wallace, shaking his head.

X X X

The game proved that Mr. Wade had good reason to respect Wilson.

It was Wilson this and Wilson that as Washington stormed up and down the field during the first half. No football player is unstoppable. But as far as Alabama was concerned, that's what Wilson was in the first two quarters. The half ended 12-0 for the Huskies.

When the teams came out for the third period, Wilson did not take the field. He had been injured during a rough pile-up after what 'Bama followers said was a vicious tackle (by Wilson) of Johnny Mack Brown, fleet star of the Tide.

With Wilson on the bench, the Dixie team roared back. Never in Rose Bowl history has one team scored three touchdowns with such lightning speed.

Those 20 points were scored in eight minutes, the most explosive blitzkrieg in Rose Bowl history.
